Yuh Wall Sconce

By Louis Poulsen

Description

The Yuh Wall Sconce, designed by Gam Fratesi, is inspired by classic geometric shapes combined into a simplistic style. The angle of the shade can be adjusted to optimize light distribution. A slim opening in the top of the shade provides soft, ambient upward illumination. A mechanical system provides great freedom of movement, so the light can always be set in the ideal position. Available in all Black, all White, Black with a Brass stem, or White with a Brass stem. UL listed.

Shown in black

Specifications
