

BRAND Tom Dixon

DESCRIPTION

The Melt Pendant is obsessed with the idea of creating an imperfect, organic and naturalistic lighting object. Created in collaboration with FRONT, a Swedish design collective, Melt is evocative of molten glass, the interior of a melting glacier, or images of deep space. Available in two sizes finished in Chrome, Gold, Smoke, or Copper. Lamping option of Incandescent or LED. When turned on, the pendant becomes a translucent textured color. Canopy: 4.9 inch diameter. UL and CUL listed.
