UCX Pro Undercabinet Light By Koncept Lighting

Description

The UCX Pro Undercabinet Light offers a sleek, minimalist design that emphasizes ultra-high energy efficiency with twice the efficiency of the original UCX. Available in three sizes finished in Silver, it features a slim row of tiny LEDs which swivel to direct light where you need it, and with the UCX included touch controls you can turn on or off or dim your light easily. Tunable white technology, adjust color temperature from 2700K-5000K. UCX lights can easily be daisy chained to connect several lights together with an optional Group Mode to allow for group control. Optional occupancy sensor is available to turn lights off 15 minutes after you leave a room and will illuminate your space again with your preferred settings upon your return. LEED certified. UL and cUL listed. Power adapter (power supply) included. Optional accessories sold separately.
