

BRAND 90+ Lighting

DESCRIPTION

The 15 Watt PAR38 Medium Base LED Bulb is compatible with standard fixtures using an E26 base. Equivalent to a 100 watt incandescent. High quality of light and low flicker, listed with California Energy Commission's (CEC) JAB/Title 24 standard for quality of light. Listed for energy efficiency by the CEC for Title 20, insuring high efficacy with a high quality of light. Dimmable to 1 percent when used with specific dimmers (see attached manufacturer reference for dimmer compatibility). Suitable for use in wet locations. Remove or do not use any optional glass lens in front of lamp. Not for use in totally enclosed fixtures.
