Classic L01D Horizontal Full Frame Inset LED Mirror

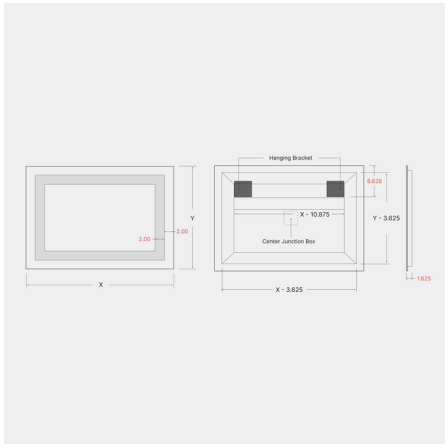

By Matrix Mirrors

Description

The Classic L01D Horizontal Full Frame Inset Direct LED Mirror perfectly blends functionality and style, providing the right amount of direct illumination for your daily grooming routine while its sleek, modern design elevates your bathroom or vanity area. High-quality materials, craftsmanship, and energy-efficient LED lighting ensure that it lasts a long time. Notes: The mirror must be installed horizontally. A vertical version is sold separately.. The mirror is available with or without an anti-fog demister that defogs the center area of the mirror. The anti-fog demister voltage is 120V and it must be on an independent switch, or can be on the same switch as the mirror if it is 120V non-dimming.
