Iolite 2IN SQ Cone Regress Adjustable Trim By Nora Lighting

Description

The Iolite 2 Inch Square Cone Regress Adjustable Trim can be specified for new construction or remodel applications. Features a die-cast aluminum trim and reflector with three field changeable optics included (spot, narrow flood and flood). Regressed cone reflectors optimize visual cut-off and adjusts up to 15 degrees. Available in a variety of color temperature options including Comfort Dim which tunes the temperature from 3100K-2000K on a gradual even curve. Designed for use with 800 lumen housings. See housing for dimming. A complete fixture requires a housing and trim, sold separately. Optional accessories sold separately.
