NT-300 Series Track System

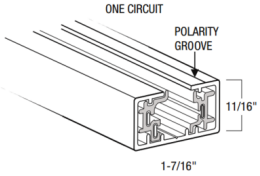

By Nora Lighting

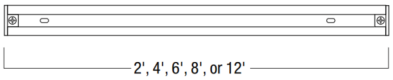

Description

The NT-300 series 120 volt single circuit track system is a low profile, extruded aluminum track with 20 amp rated flat, solid integral conductors. The track may be surface, stem, or cable mounted. All lengths can be field cut. Surface mounting hardware included with each track section. Voltage:120V 60Hz. Wattage: 2400W single circuit. Nora track system is compatible with Halo, Catalina, Hampton Bay, Halo-Edison, or any other brand configured to Halo 3-wire track configuration. Nora track may be dimmed with any approved incandescent, magnetic low voltage, or electronic low voltage (depending on track fixtures being used). Includes dead end and mounting hardware. Track components and track heads sold separately.
