Hang Out Coffee Table

By Umage

Description

Hang Out Coffee Table has a clean and minimal organic shape, in a combination of wood and fine metal details. Thin graceful legs attached to a slender metal bracket and sculptured rounded table top give Hang Out a light and airy profile. Underneath the table top, a special bag is suspended across the three legs like a hammock. The stylish two-sided leather and textile bag is perfect for storing your remote controls, telephone, book, tablet, magazine or other smaller items. With both a leather and textile side, this bag can be easily swapped around to add a different expression to your interior. Available in Dark Oak, Oak or Black with brass accents. Designed in Denmark.
