Lean On Me Clothes Rack

By Umage

Description

Lean On Me Clothes Rack, designed by Jonas Sendguard, lets you comfortably store all of your outdoor essentials while still making the most of the space available. Made to lean at an angle away from the wall at its base, it takes up almost no space on the floor. Perfect for narrow hallways and other places where room is tight, its head turning design makes it an impressive piece to greet visitors in the important entrance area of the home. Available in Black and White steel and leather. Designed in Denmark.
