# Manhattan Table Lamp

By Regina Andrew

## Description

The Manhattan Table Lamp doubles as a sculptural art piece. A cool juxtaposition of organic shape and refined metal. This piece displays Regina Andrew exceptional ability to transform resin, an often-over-used material, and create stunning illuminated art. A flowing organic shape gilded in Gold Leaf forms a sleek base for this table lamp, while a rectangular Natural linen shade completes the contemporary look. Includes 8 feet of clear cord and 3-way switch. CSA and UL listed.

Shown in gold leaf / natural linen
