Pipeline 1 Power Up or Down Suspension End Feed /One Canopy

By PureEdge Lighting

Description

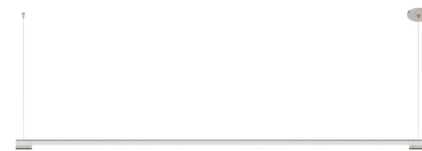

Pipeline 1 Up or Down Suspension with End Power Feed and One Canopy is a linear LED fixture with a clean and contemporary style. Rotates 360 degrees allowing you to shine the light up for indirect light or downward to accommodate task lighting (or anywhere in between). Pipeline 1 is available in various increments from 36 to 240 inches and features a 176 degree beam spread, a diffused white lens, optional black or white louver, three wattage options, a variety of finishes, and a spectrum of color temperature options. Chrome finish available up to 84 inch length. Lengths over 96 inches ship in two segments. Includes canopy with 120V/24VDC Universal (UNI) LED power supply (dimmable with a Triac (magnetic), electronic low voltage (ELV, or 0-10V dimmer), dimmer sold separately. Power supply wattage and canopy option dependent on length of fixture. Supplied with 12 foot adjustable coaxial cables (additional aircraft cables are included for support when fixture exceeds 72 inches). ETL listed. Title 24 compliant. Fixture includes a 5 year warranty. Product is built to order.
