Alfa Table Lamp

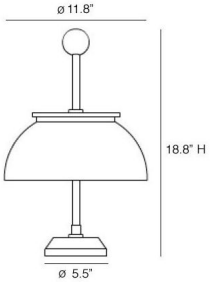

By Artemide

Description

Own a piece of design history with the Alfa Table Lamp, a timeless icon and the very first Artemide table lamp, originally designed by Sergio Mazza in 1959 and reintroduced to the market. This exquisite lamp features a beautifully crafted diffuser in crystal glass, casting a refined glow. The lamp's structure boasts a hand-turned metal frame in a sophisticated nickel plate, providing a touch of classic elegance. Grounding the design is a luxurious base in black marble, adding a sense of enduring quality and substantial presence. The combination of Glass, Marble, and Metal speaks to its exceptional material integrity. Customers consistently praise its classic, elegant aesthetic and high-quality materials, noting how it adds a sense of timeless sophistication to any space. Perfect for adding an Art Deco flair or complementing a contemporary interior, the Alfa Table Lamp is more than just a light; it's a cherished collectible and a testament to enduring design.
