LED NET Circle Ceiling Light

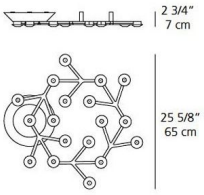

By Artemide

Description

Illuminate your space with the striking geometric beauty of the LED NET Circle Ceiling Light, a modern fixture that combines artistic form with advanced lighting technology. This captivating light features a sleek painted aluminum structure, creating a clean, minimalist silhouette. Each integrated LED is meticulously fitted with a transparent methacrylate lens and a satin finish methacrylate lens holder, ensuring optimal light distribution and a refined aesthetic. The integrated LED light source provides powerful and efficient illumination. UL listed for safety, customers consistently praise its unique design and bright, even light distribution, noting how it becomes a focal point in any room. Perfect for modern living rooms, dining areas, or commercial spaces seeking a distinctive contemporary lighting solution, the LED NET Circle Ceiling Light offers both sculptural appeal and superior performance.
