Nur Mini Gloss Ceiling Light

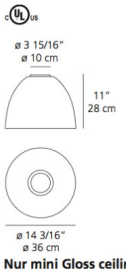

By Artemide

Description

The Nur Mini Gloss Ceiling Light offers a sleek and modern lighting solution that enhances your space with subtle, ambient illumination. This compact fixture features a refined aluminum body complemented by a soft polycarbonate diffuser, ensuring both durability and a beautifully diffused light output.Designed with an eye for indirect lighting, the Nur Mini Gloss creates a gentle halo of light on the ceiling, adding depth and dimension to your room while minimizing direct glare. This effect contributes to a softer, more inviting atmosphere, making it ideal for spaces where comfort and sophistication are paramount.Perfect for smaller rooms, hallways, or for creating a layered lighting scheme, the Nur Mini Gloss Ceiling Light provides a contemporary touch. Its minimalist aesthetic and effective indirect illumination make it a versatile choice for a wide range of modern residential and commercial applications.
