Nur Mini Ceiling Light

By Artemide

Description

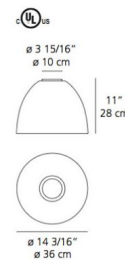

Discover subtle sophistication and inviting illumination with the Nur Mini Ceiling Light, a minimalist fixture that creates a beautiful play of light and shadow. This elegant light features an aluminum body with your choice of a sleek Aluminum or a rich Grey Anthracite finish, allowing it to seamlessly integrate into various contemporary interiors. A polycarbonate bottom diffuser ensures a soft, even light output. The Nur Mini is renowned for providing subtle indirect lighting, creating a captivating halo effect on the ceiling, adding depth and warmth to your space. It offers two versatile lamping options: a traditional incandescent option or an integrated LED light source for modern efficiency. The LED version is notably dimmable with 2-wire dimmers, offering flexible control over your ambiance. UL listed for safety, customers consistently praise its clean design and beautiful indirect glow, making it ideal for bedrooms, living rooms, or entryways where a soft, ambient light is desired. The Nur Mini Ceiling Light is a testament to understated contemporary elegance.
