Teti Wall / Ceiling Light

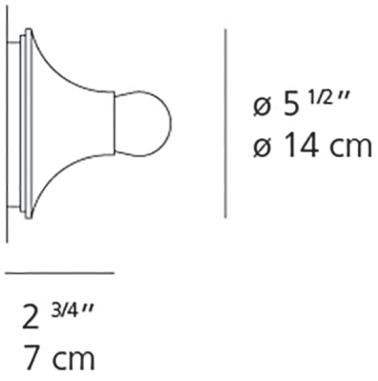

By Artemide

Description

Embrace minimalist design and versatile application with the Teti Wall / Ceiling Light, a simple yet impactful fixture that seamlessly blends into any modern interior. This compact light is composed of durable thermoplastic resin with a crisp Polished White finish, ensuring a clean and unobtrusive aesthetic. Its straightforward design allows for easy integration as either a wall sconce or a ceiling mount, offering flexibility in lighting your space. Perfect for hallways, bathrooms, accent lighting in living areas, or creating a series of light points for visual interest, the Teti Wall / Ceiling Light is a testament to timeless contemporary design, proving that sometimes, less truly is more.
