Tolomeo Mini LED Plug-In Wall Light

By Artemide

Description

Experience versatile and precise illumination with cutting-edge LED technology in the Tolomeo Mini LED Plug-In Wall Light. This highly adaptable fixture features a fully articulated arm and body structure crafted from extruded natural anodized aluminum, providing superior durability and a sleek, modern aesthetic. The signature joints and tension control knobs in polished die-cast aluminum, alongside robust stainless steel tension cables, ensure fluid movement and precise light positioning. The diffuser, made of anodized aluminum, provides focused light and is impressively tiltable and rotates a full 360 degrees on the lampholder, giving you complete control over light direction. Designed for convenient installation, this wall light utilizes a Type S bracket suitable for wall surface mounting with an integrated cord and plug, offering immediate functionality without hardwiring. An inline dimmer control allows for effortless brightness adjustment. Customers consistently laud its flexibility for renters and excellent focused LED light. Perfect for bedside reading, task lighting in a small home office, or as an adaptable accent light, the Tolomeo Mini LED Plug-In Wall Light embodies contemporary design with practical versatility and energy efficiency.
