LED Net Line Suspension

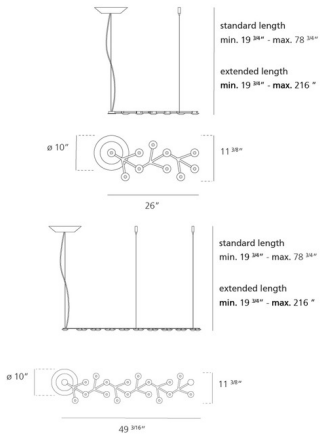

By Artemide

Description

Define your space with the linear elegance and precise illumination of the LED Net Line Suspension. This sophisticated fixture features a sleek white painted aluminum structure, creating a clean, architectural silhouette that integrates seamlessly into modern interiors. Each integrated LED is meticulously fitted with a transparent methacrylate lens and a satin finish methacrylate lens holder, ensuring optimal light distribution and a refined aesthetic. The linear arrangement of the LEDs provides a powerful yet diffused light, ideal for illuminating long surfaces or adding a distinctive design element. Customers consistently praise its clean lines and effective, modern light. Perfect for illuminating kitchen islands, long dining tables, or conference tables, the LED Net Line Suspension embodies architectural and contemporary design, offering both minimalist beauty and superior performance.
