Tolomeo Off Center Suspension with Black Shade

By Artemide

Description

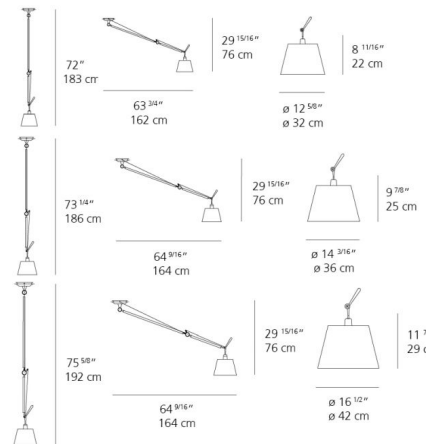

Make a bold statement with the Tolomeo Off Center Suspension with Black Shade, an innovative and adaptable lighting solution for spaces with unique layouts. This striking pendant features a sophisticated anodized Polished Aluminum arm that provides exceptional reach and flexibility, allowing the light source to be positioned precisely where desired, even when the ceiling junction box is not centered. Adorning the arm is a sleek Black stamped aluminum shade, which offers a focused, dramatic light while maintaining a clean, modern aesthetic. The fixture is completed with a coordinating Matte Aluminum canopy. This unique design allows for precise light direction, adjusting at three key points to ensure optimal illumination. UL listed for safety, customers consistently praise its ingenious functionality and striking contrast. Perfect for illuminating dining tables, kitchen islands, or living areas where a centered light is challenging, the Tolomeo Off Center Suspension with Black Shade delivers both practical innovation and powerful contemporary style.
