## Edison the Petit Cordless LED Table Lamp By Fatboy USA

## Description

Edison the Petit Cordless LED Table Lamp from Fatboy USA is as cute as it is functional, equally at home in a kids' room as in an office. The white, portable table lamp uses LED light and can accompany you just about anywhere. This splash resistant lamp is comfortable in both indoor and outdoor settings. Edison the Petit will spread LED light for up to eight hours (recharging takes roughly three hours). A fun table lamp for everybody and an easy lamp to clean, at that. Just pull the Fatboy tag, and let the enjoyment begin.
