DESCRIPTION

Tilt Globe Pendant emits an open and soft light, and directs it exactly where it is needed. Easy, intuitive handling allows turning and swiveling the shade along its oblong opening in every direction. It works like a cupped reflector that you can freely move around the light source, gathering the light and directing it towards the space or object you want to illuminate. Available in matte Grey, Polished Brass with a brushed interior, Matte White, or Matte Black finishes. Supplied with 10 feet of fabric covered cord to customize length.
