Turbo 15W 12V Outdoor Bollard Light

By Visual Comfort Architectural

Description

The Turbo 12 Volt Bollard features a clean, cylindrical silhouette highlighted with decorative fins evenly spaced around the circumference. Beautiful geometric shadows are created when illuminated by the powerful LED light source shining down from the crown. The bollard offers a choice of 20 or 40 degree beam angle optics. Constructed of aluminum with a durable, marine grade powder coat finish in Charcoal, Black or Bronze. Features stainless steel hardware and impact-resistant, UV stabilized clear flat acrylic lens for added durability and stability. 5-year warranty. Required low voltage magnetic outdoor transformer sold separately.
