Strut Outdoor Path Light 12V

By Visual Comfort Modern

Description

The Strut 12V LED Path Light exemplifies the epitome of a modern, minimalist design. The thin, unobtrusive clean lines of the Strut path light can effortlessly disappear into its setting or can be positioned to make a bold statement. Symmetric light distribution. Constructed of aluminum with a durable, marine grade powder coat finish in Charcoal, Black or Bronze. Features stainless steel hardware and impact-resistant, UV stabilized acrylic lens for added durability and stability. Includes 15 watt LED module in two color temperature options. 5-year warranty. Bolt kit for concrete or Stake kit options available. Required 12 volt remote transformer sold separately.
