Turbo 12V Outdoor Path Light

By Visual Comfort Modern

Description

The Turbo 12 Volt Path Light features a clean, cylindrical silhouette highlighted with decorative fins evenly spaced around the circumference. Beautiful geometric shapes are created when illuminated by the powerful LED light source shining down from the crown. Constructed of aluminum with a durable, marine grade powder coat finish in Charcoal, Black or Bronze. Feature stainless steel hardware and impact-resistant, UV stabilized acrylic frosted lens for added durability and stability. Available with Stake Kit or without (bolt mount). 5-year warranty. Required low voltage magnetic outdoor transformer sold separately.
