Tegel Outdoor Downlight Wall Sconce

By Visual Comfort Modern

Description

The Tegel Outdoor Downlight Wall Sconce embodies understated modern style, blending well with a range of architectural aesthetics and providing well-controlled downlighting for accent and ambient illumination. Its die-cast aluminum construction, powder coat finish, stainless steel hardware and impact-resistant UV-stabilized frosted acrylic lensing ensure durability against harsh outdoor elements. A 120-277V driver with integrated transient 2.5 kV surge protection is included, dimmable with an ELV or 0-10V dimmer. Four option selections are available: button photocontrol, surge protection, both the photocontrol and surge protection, or no options.
