Voto 120V Outdoor Up/Down Wall Light

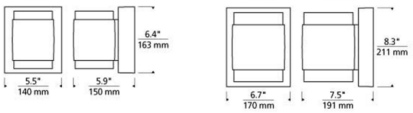

By Visual Comfort Modern

Description

The Voto Outdoor Up/Down Wall Light features a die-cast metal body with symmetrical reveals cut from a solid piece of optically pure acrylic adorning the top and bottom. Beautiful LED light pours from the top and bottom of the thick-cut acrylic to provide ample illumination. Available in an up/down or downlight option to meet the needs of all outdoor applications. Available in two sizes. Constructed of aluminum with a durable, marine grade powder coat finish in Charcoal or Bronze. Features stainless steel hardware and impact-resistant, UV stabilized clear acrylic lens for added durability and stability. Universal 120-277V with integral transient surge protection driver. Available with surge protection or standard with no options. Consult with manufacturer for additional options. 5 year warranty.
