Zur 120V Outdoor Adjustable Wall Light By Visual Comfort Modern

Description

The Zur 120 Volt Outdoor Adjustable Wall Light features an innovative pivot design that aims light precisely as needed for way finding, architectural accents or landscape illumination. Features two marine-grade powder coat finishes, stainless steel mounting hardware, three height options, three color temperature options, 40 degree beam optic, and head that pivots 240 degrees for wall grazing or directional illumination. Universal 120-277V, with integral transient 2.5kV surge protection driver. Dimmable with an electronic low voltage or 0-10V dimmer, sold separately. Available with in-line fuse, button photocell, or standard with no options. Dark Sky compliant when lights are aimed down. 5 year warranty.
