## Cosmo Pendant

By Elite LED Lighting

### Description

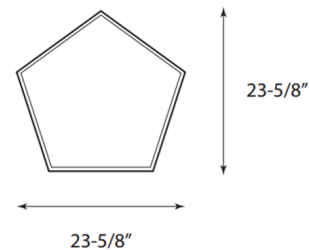

The Cosmo Pendant offers a sensational mix of modern with flare. Its octagonal shape sets style while adding visual dimension with side panels that sparkle. Features rigid aluminum design with a high quality, high transmission glare free lens for smooth illumination with a side lit sparkle for an additional design element. Includes 10 feet of suspension cable. Powered by high-quality constant-current power LED drivers which are rated for 50 to 60Hz at 120-277V input, produce less than 20 percent THD, and have a power factor of .90 to 1.00. Dimmable with a 0-10V dimmer (down to 1 percent of initial lumens), sold separately.
