## Meteorite Small Table Lamp

By Artemide

### Description

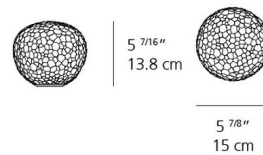

Discover the captivating allure of the Meteorite Small Table Lamp, a fixture that truly embodies accessible beauty and artisanal craftsmanship. This compact yet striking lamp features a unique hand-blown double-layered artist glass diffuser, meticulously crafted through a succession of molding, frosting, sandblasting, and etching techniques. The result is a one-of-a-kind texture that evokes the organic, raw beauty of its celestial namesake. When illuminated, the diffuser casts a soft, inviting glow, creating an intimate and warm ambiance in any setting. The intricate detailing of the glass ensures that each lamp possesses its own distinct character, making it a unique addition to your decor. Perfect for adding a touch of sophisticated charm to a bedside table, a cozy reading nook, or as an accent on a console in an entry foyer, the Meteorite Small Table Lamp is designed to spark conversation and provide a beautifully diffused light that enhances your space.
