

BRAND

Soraa

DESCRIPTION

Soraa Healthy lamps features Soraa ZERO BLUE technology, which means your body identifies the time for sleep as nature intended. Evenings are more calming, your body relaxes, and sleep comes more easily. Soraa Healthy lamps have no blue content in the spectrum (As opposed to just dimming the light and producing a warmer tone) so there is no overexposure to blue light in the evening which can negatively impact our sleep cycles. The Soft White Omnidirectional LED with a 600 Lumen output range can be used in Fully Enclosed fixtures. Replaces traditional 40 watt incandescent bulb. Dimmable, and tested with a wide range of dimmers (see attached manufacturer reference for dimmer compatibility). Very Low Flicker: Achieving

SHADE COLOR	N/A
BODY FINISH	Silver
