Oblique 120V Outdoor Wall Light

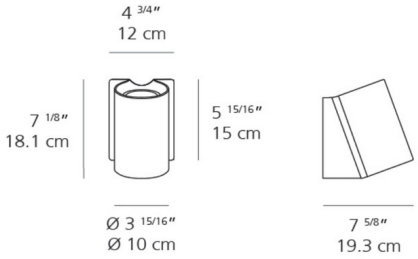

By Artemide

Description

Discover the refined simplicity of the Oblique Wall Light, a contemporary fixture designed to provide focused, glare-free illumination with understated elegance. Its thoughtful design ensures that light is directed precisely where needed, enhancing both aesthetics and functionality.The Oblique Wall Light features a sleek outer shell that artfully envelops and secures the lighting head, creating a clean, integrated profile. Its signature element is the slightly downward angle of the light source, which, combined with a high-performance reflector, projects precise LED light. This innovative optical system is engineered to prevent glare, ensuring a comfortable visual experience, and effectively defines a quiet light zone on your walls, perfect for creating inviting ambiance or highlighting architectural details. Available in sophisticated Anthracite Grey or crisp White, the Oblique Wall Light offers versatile appeal for both indoor and sheltered outdoor spaces, delivering powerful yet controlled illumination that complements a modern interior or exterior.
