Mini Color Select Wall Wash Light 12V

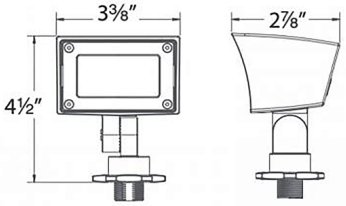

By WAC Lighting

Description

The Mini Wall Wash Light offers a uniform wide distribution wall wash from a small form factor. Its 70 x 95 degree beam can highlight architectural features and textured walls, or showcase your front yard greenery. On-board dials can be used to adjust color temperature (2700K or 3000K) and brightness level. The light is also MLV dimmable. Corrosion-resistant aluminum alloy or solid die-cast brass construction ensures durability in the outdoors. The Bronze on Brass option is solid brass coated in bronze, offering enhanced protection in coastal areas. A mounting stake, 6 ft lead wire, and direct burial gel filled wire nuts are included. Note: A transformer is required, sold separately.

Shown in bronze on aluminum / clear
