Basie Wall Sconce

By Delightfull

Description

The Baise Wall Sconce is a modern representation of the sci-fi aesthetics of the 1960s. The vintage midcentury modern lamp has a set of distinctive features which make it a stunning statement piece. It is handmade in brass, with a center shade made in aluminum and a mesmerizing Gold plated standard finish. The lamp shade is lacquered in Glossy White for a more modern look. Being the sleek and sophisticated piece that it is, it works beautifully as a decorative wall light in any contemporary entryway or living room.
