## Evans Wall Sconce

By Delightfull

### Description

The Evans Wall Sconce is a contemporary piece with a heavy midcentury modern influence, making it perfect in a variety of spaces. Designed and handmade in Portugal, the lamp mount and body are handmade in brass with a Gold plated finish, while the conical lamp shades are made of aluminum, with a standard Matte Black finish. Features two movable diffusers, which can be adjusted both upwards and downwards for a more cozy ambiance. This versatility makes this the perfect task light, but it does also look stunning as a bedroom wall sconce.

Shown in gold / matte black
