Z Swivel Mounted Suction Cup Makeup Mirror

By Zadro

Description

The Z Swivel Mounted Suction Cup Makeup Mirror offers a functional and versatile piece that is perfect for makeup application. It features a round mirror with 10x magnification, held into a powerful suction cup base that can be wall mounted or placed firmly on a smooth, non-porous counter space such as tile or glass. With integrated LED lights powered by batteries dim environments are no longer an issue. Touch controls allow the LED to be dimmed and set to Warm, Daylight, or Cool color temperatures to show how makeup will look under different lighting conditions. On / off switch located on front of mirror. Requires three AAA batteries (not included).
