Nanoleaf

DESCRIPTION

The Nanoleaf Light Panels Rhythm Edition Smarter Kit offers a unique lighting experience that will be an intriguing addition to any space, featuring 9 triangular shaped LED panels that can be arranged in a variety of configurations with up to 30 panels. With the Rhythm Edition module your favorite songs are transformed into symphonies of light with its built-in sound sensors to automatically pick up on audio. Customize colors and animations with the Nanoleaf Smarter Series App or in the Home App in iOS10+. Also controllable with the manual controller and voice control. The Smarter Kit includes one Rhythm module, 9 light panels (100 lumens each), 9 linkers, 9 mounting stencils, and 28 mounting strips. Dimmable with manual controller or voice over. Works with iOS8 or later (HomeKit), Android 5 or later and Google Assistant, Apple Home App, Amazon Alexa, and IFTTT. ADA compliant.
