Parnell Desk

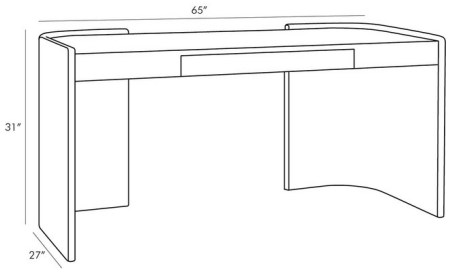

By Arteriors Home

Description

The Parnell Desk combines elegant curves with modern gray shades, creating an inspiring workspace. Its frame is finished in a special charcoal lacquer, giving it a fresh, rounded look. The expansive work surface features a delicate tropical ofram wood veneer. This veneer is arranged in a slip-matched pattern, meaning the slices follow the same design rather than alternating. To maintain a clean and stylish appearance, the drawer has a recessed handle and includes single extension, soft-close glides.
