Swami Large Pendant

By Arteriors Home

Description

The Swami Large Pendant seamlessly blends time-honored craftsmanship with contemporary design. Handwoven from hundreds of slender buri sticks sourced from a tropical Asian palm this striking fixture is crafted using traditional basket-weaving techniques once employed in the making of fishing baskets. Its graceful bell-shaped silhouette is elevated by an antique brass pipe kit and a subtle ombre finish, creating a harmonious balance between artisanal heritage and modern sophistication. Rich in texture and character, the Swami Pendant brings warmth, depth, and sculptural elegance to any interior.
