Kite Wall / Ceiling Light

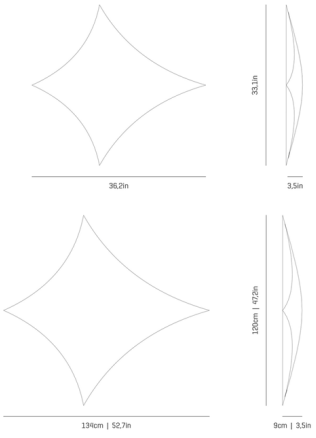

By a-emotional light

Description

The Kite Surface mount, designed by Arturo Alvarez, is made up of curved planes that seem to travel along walls and ceilings carried by the wind. Luminaires with a light appearance despite their dimensions. Kite large is a handmade wall lamp that, combined with other wall lamps of different sizes, allows the creation of original compositions. Kite is inspired by the kites in the sky, which fill the space with a cheerful and warm light.
