Tono Floor Mood Light By Koncept Lighting

Description

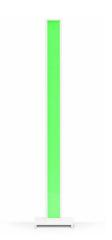

Tono Mood Light is an LED floor lamp that paints your room in any color. Tono gives you every light color option you can imagine. Turn on the white color mode, choose between warm or cool light to brighten up your living space with a soft glow, or switch to the color mode to splash any desirable color onto your wall or furniture. Want some drama? Turn on the color hue mode and let a rainbow of colors dance freely around your room. Light source rotates on the base for easy aiming. Available in White. Built-in touch sensor. Integrated 24 watt 120 volt LED light source. Tunable White technology, color temp ranges from 2700 to 8000K. 9 inch width x 48.5 inch height x 3.9 inch depth.
