12V LED Bollard Path Light

By Kichler

Description

The 12V LED Bollard Path Light offers a sleek, linear profile that will add contemporary style along sidewalks, pathways and more. The diffused lens spreads smooth, even lighting across an area without hotspots or glare. The Textured Architectural Bronze and Textured Black finish makes a dramatic statement against the natural colors of a landscape. Frosted poly-carbonate diffuser. Includes 8 inch ground stake, cable connector lead wires. UL listed. Suitable for wet locations. Requires 12 volt low voltage magnetic remote transformer, sold separately.

Shown in textured architectural bronze / frosted
