12V Mini All-Purpose Recessed Light

By Kichler

Description

The 12 Volt LED All-Purpose Recessed fixture is a fully sealed and encapsulated fixture featuring an integrated LED module with 100 lumen or 200 lumen output and 2700K or 3000K color temperature. Available in a Centennial Brass or Stainless Steel finish. The three field changeable beam optics are included with each fixture: 20-, 40- (factory installed), and 75-degrees allow you to put light where you want it. A removable spring clip and compression sleeve adapt to a wide variety of applications for seamless installation. ETL listed. Suitable for wet locations. Operating voltage range: 9-15VAC/DC. Voltage: 12V. Required transformer sold separately.
