

DESIGNER R. Toso & N. Massari & Associates
BRAND Leucos

DESCRIPTION

Aella, the Ancient Greek word for whirlwind, was the first Amazon warrior who lunged at Heracles. Gaining inspiration from this, Toso & Massari designed the Aella Table Lamp in 1968. In 2016, the original designers, re imagined the classic Aella shape. To this day, the Aella captures the essence of a whirlwind in hand blown glass and creates a stunning vortex of light floating in the diffuser. This vortex of light represents Leucos's vision of taking tradition hand crafted techniques and giving them a fresh contemporary point of view. Available with a Transparent diffuser with a Chrome or Gold base or a Smoke diffuser with Gunmetal base. Made in Italy.
