

DESIGNER Marco Pagnocelli/Icône Lighting
BRAND ZANEEN design

DESCRIPTION

The Salsola Ceiling Light Fixture features a spherical shape which appears like a ball of wool. The outer structure is made of aluminum lacquered White or Old Brown and curl on a hidden metal structure that encases a lamp diffuser made of sandblasted Pyrex glass. Fixture may vary slightly in size due to the fact it is manufactured predominantly by hand. See bulb manufacturer specification for dimmer compatibility. Manufactured in Italy by Icône Lighting.

Shown in: Brown

SHADE COLOR	N/A
