Lua Wall Light - Overstock

By ZANEEN design

Description

The Lua Wall Light features a round aluminum disc with a beveled edge and a hole in the center where the stem is located. Behind the disc there are concealed LEDs which cast light directly towards the wall. Disc can be tilted to achieve various lighting effects. 120V direct wire (operates without a driver). Dimmable to 20 percent with a low voltage electronic dimmer, sold separately. Manufactured in Italy by Icone Lighting. NOTE: This is a discontinued model and limited to quantity on hand.
