### DESCRIPTION

The Reflections Skye Remodel Housing with Flanged or Flangeless ceiling plane options combine decorative recessed domes with indirect LED illumination. Flanged for a more traditional ceiling appearance or flangeless for a smooth, mud-in ceiling appearance. Available in 5, 8 and 12 inch diameter options, the domes act as reflectors to a completely hidden ring of up-firing LEDs. Flanged trims accommodate a .50 to 1 inch ceiling thickness. Flangeless includes an integral mud spray plate. IC remodel housing (suitable up to R60 spray foam insulation) with a remote junction box. Universal 120V-277V. Supplied with a constant current driver. Dimmable to 5 percent with an electronic low voltage, Triac, or 0-10V dimmer, sold separately.

Shown in: White

TRIM COLOR	N/A
BODY FINISH	White
WATTAGE	9W
DIMMER	Low Voltage Electronic
DIMENSIONS	5"W x 3.1"H
INTEGRATED LED MODULE	
LAMP	1 x LED/120V LED

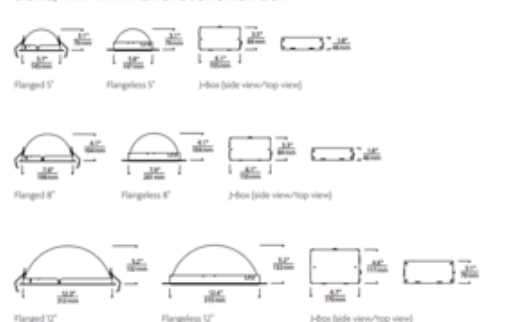

#### Technical Information
