Reflections 6IN Torus Retrofit Flanged Indirect Downlight

By Visual Comfort Architectural

Description

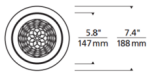

The Reflections 120V 6 Inch Torus Retrofit Flanged Indirect Downlight infuses design with style and taste to become an architectural component. Upgrades most incandescent 6 inch recessed downlights with a medium base (E26) socket. Torus is molded with embossed design details and transforms beautiful three-dimensional geometry for dramatic visual interest with the subtle play of light and shadow. Dome acts as a reflector to a completely hidden ring of LEDs delivering indirect illumination. Includes retrofit housing. Dimmable with an electronic low voltage or TRIAC dimmer, sold separately.
