Reflections 6IN Bloom Retrofit Flanged Indirect Downlight

By Visual Comfort Architectural

Description

The Reflections 120V 6 Inch Bloom Retrofit Flanged Indirect Downlight infuses design with style and taste to become an architectural component. Upgrades most incandescent 6 inch recessed downlights with a medium base (E26) socket. Bloom is molded with embossed design details and brings the geometry of the natural world into harmony with traditional, transitional, or contemporary room decor. Dome acts as a reflector to a completely hidden ring of LEDs delivering indirect illumination. Includes retrofit housing. Dimmable with an electronic low voltage or TRIAC dimmer, sold separately.
