## Minimikado Pendant

By LZF

### Description

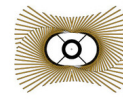

The Minimikado Pendant takes its names from the classic pick-up-sticks game, where sticks are bundled together and when released, fall in a circular jumble. A radiant light, the wood veneer strips spread outwards, in a manner evocative of a bird's plumage. Cleverly engineered, the Mikado's form is both chaotic and harmonious at the same time. It is a light whose profile is like a coruscating kaleidoscope of pattern. Supplied with 8 feet of cable to customize length.
