Audrey Warm Dim Bath Bar

By PureEdge Lighting

Description

The Audrey Warm Dim Vanity Bath Bar with 4 Inch Square or 1 Inch Rectangle Canopy features a milky white diffuser lens that provides uniform light without hotspots. Can be mounted in a horizontal or vertical position. Available in various increments from 12 to 120 inches, a variety of finishes, 5 LED watts per foot, and Warm Dim 2700K-2000K (27D) or 3000K-2000K (30D) color temperature. Unlike standard LEDs, Warm Dim LEDs are designed to shift to a warmer color temperature as they are dimmed, replicating the effects of incandescent and halogen light sources. Fixture includes a 120 volt input, 24VDC Class 2 low voltage LED transformer that fits inside a standard 4 inch electrical box with round plaster ring and supplied floating split canopy (4SQ) or the Slim Profile Junction Box (1RE) that does not require a canopy. Finished sizes include end caps. Limited quantities available. Note: Product is built to order.
